To Whom It May Concern:

This letter should serve as a reference letter for Tom Guy and his The Media Guy Presentation. We had the opportunity to have him present in our building during Red Ribbon Week this year. It was a very motivational and powerful presentation for our students. We had a presentation for our elementary students and then a different presentation for our middle/high school students. Both the elementary and middle/high school students enjoyed the presentation. When talking to the students after the presentation, they said it was wonderful and seemed to get the messages throughout the presentation: making good choices, driving safely, being kind and taking responsibility. I would love to have the presentation again in the future. Please feel free to call if you have any questions regarding to assembly.

Sincerely,

Amy Holtman
