To Whom It May Concern:

I am writing this letter to recommend the services of Tom Guy and his company, The Media Guy. Since 2005 KOAM & FOX 14 Television Stations in the Joplin, MO/Pittsburg, KS market have worked with Tom and his multi-media motivational presentations.

The Media Guy presentations incorporate current, popular movies, music, news, TV shows, and pop culture to tell engaging stories which encourage students to make right choices and good decisions. Tom provides a program for younger students, Kindergarten through 6th Grade, as well as programs for junior high and high school students.

Tom Guy is willing to adapt his schedule to our specific needs. He accommodates early morning, daytime & evening presentations as needed. Since Tom believes in the messages his programs convey I have found the quality of the presentations to be world class. He puts in hundreds of hours researching, producing and editing each show. Attached to this letter are some written comments from students at a local high school who took part in The Media Guy presentations. We have found after providing the program to a school district we are welcomed back year-after-year.

The Media Guy's pricing is reasonable and fair and some years we have successfully sold sponsorships to like-minded businesses & organizations which look to improve the quality of life for children, teens and families in our area.

I highly recommend the The Media Guy and welcome you to contact me if you have any questions about Tom and his excellent motivational presentations.

Best Wishes,

A handwritten signature in blue ink that reads 'Vance'.
