The Media Guy

Dear Tom:

I wanted to take a few minutes to thank you for presenting the Multi-media Show “Split Second” to the staff and delegates of the South Florida Leadership Training Camp. Over 230 students and 56 staff members viewed the show and every comment made following the presentation was positive.

Not only was the show on point with regard to leadership, decision making and the results of making “snap decisions” but the music, appearances of celebrities and the clips from motion pictures held the interest of the target audience, the students.

The technician who presented the show, Mr. Fred Winter, was on time and professional in every way. I would not hesitate to recommend your company and it’s shows to any one else.

Again thank you.

Sincerely,

Michael Roland
